

WE ARE THE BRIDGE – The Believer Part 1.

Acts 2:42, 43, and 47

We get a chance to see what BELIEVERS IN JESUS look like.

v42

...devoted to the apostles' teaching – Believers are emptied of self. They follow the teachings of Jesus, establishing their lives on something bigger than themselves.

...and to fellowship and to sharing in meals – Believers partner together to create an environment where acceptance, protection, and honor thrive.

...and to prayer – Believers make a distinction between prayers addressed to God with thanksgiving, and words expressed that magnify the problem.

THE RESULTS OF THESE TYPE OF BELIEVERS

v43

Believers walk out their lives with a respect and honor to God. That opens the door to signs and wonders that follow those that believe.

v47

Believers have relationship with God through praise and worship with other believers. This creates a supernatural environment where signs, wonders, and favor follow.

What a last day religious person looks like.

2 Tim. 3: 1-5

What opens the door to a Jesus-follower BELIEVER!

Acts 2: 37

Believers are moved by the power of the heart and live surrendered.

v38

Believers live repentant lives. Baptized, submerged in their relationship with Jesus, and forgiven of their sins, their lives speak of the wonderful works of God. Acts 2:11
