**IMPARTATION**

*Using a famous church service in the Old Testament, we see a process that brought deliverance to God's people that parallels the process of a modern-day church service.*

Jehoshaphat

*When faced with a trial, what should we do?*

2 Chr. 20:6-9 NLT

**#1. Build a case for who God is. Magnify God, not the problem.**

*When faced with a trial, what should we do?*

2 Chr. 20:10-11

**#2. After cultivating a God-awareness, present the problem and be clear.**

*When faced with a trial, what should we do?*

2 Chr. 20:12

**#3. Confessing a complete dependence on God is how victory is enjoyed.**

*When faced with a trial, what should we do?*

2 Chr. 20:13

**#4. We WAIT in EXPECTATION of His deliverance.**

Isaiah 40:31

*When we come together, there should be an expectation of receiving from the Lord. In the song being sung, in the music being played, in the word being shared. From the greeting at the door to the prayers at the end...it's all done to build up and edify. It's all by the SPIRIT!*

*When faced with a trial, what should we do?*

Chr. 20:14

*When trials come this is what we do.*

**#1. Build a case for who God is. Magnify God, not the problem.**

**#2. After cultivating a God-awareness, present the problem and be clear.**

**#3. Confessing a complete dependence on God is how victory is enjoyed.**

**#4. Wait in expectation of His deliverance.**

*So...When trials come, I build...I present...I confess...I expect.*
