IMPARTATION

RECAP- King Jehoshaphat is facing a trial.

When trials come this is what we do.

- #1. Build a case for who God is. Magnify God, not the problem.
- #2. After cultivating a God-awareness, present the problem and be clear.
- #3. Confessing a complete dependence on God is how victory is enjoyed.
- #4. Wait in expectation of His deliverance.

1 Chr. 20:14

1. In this Covenant, the Spirit does not come and go. He is IN YOU and will never leave you, for nothing can separate you from His love! –

John 10:28-30 NKJV

John 14:16-17 NLT

Matt. 28:20 NKJV

Rom 8:35-38 NLT

2. We have a heritage of connection to God – our Father is God, our brother is Jesus, and we are heirs. We are connected! Rom. 8:15

2 Chr. 20:15-17 NKJV

”The battle is not yours, but God’s. Stand still and see the salvation of the Lord, for the Lord is with you.”

- The word dealt with the immediate problem.
- It was delivered with a limited amount of time and vocabulary.
- The word brought hope and deliverance. It edified.

2 Chr. 20:18 NLT

Thankfulness! It shows a complete dependence on God.

Praise-ful! Respond as if it’s already done; it’s the ultimate action of faith.

THIS IS THE WORD FOR US TODAY!

For those who have ears to hear; the battle is not yours, but God’s. Stand still and see the salvation of the Lord, for the Lord is with you.

**We take every opportunity to be purposeful in our response to His word.
Thanksgiving and praise are our response!**
