VISION 2020: Navigation through every storm to peaceful waters and calming streams of joy, favor, and love, for **He is with us.**

How do we navigate through the challenges of life?
Can the Word of God make a difference?

My life would be so much better if _____!

Our Messiah's words – do they mean something to us?

Should we take the words of someone who resurrected from the dead seriously?

Matt. 5:3

BLESSED/HAPPY: JOY, which is serene, untouchable, and self-contained, completely independent of all the chances and changes of life.

Matt. 5:6

RIGHTEOUSNESS: As righteous as you ought to have been; the condition of being acceptable to God.

Matt. 7:28-29

The Law that the people have been taught has been reduced to burdensome processes of man's tradition...religion.

Matt. 5:3 Blessed are the imperfect. Blessed are the broken.

Matt. 5:6 Blessed are those who desire God's best! Blessed are the SEEKERS!

The words of Jesus were meant to come off the mountain and into our lives.

What is an outcast?

Matt. 8:2-3

TIFAW

I navigate this imperfect life because of an expectation of the words of Jesus being off the page and into my life. I'm complete and satisfied in Christ. I live blessed.
