***Journey to the CROSS***

**The Story of Lazarus**

**John 11:3-14**... Lord, your dear friend is very sick.

**John 11:41**

JESUS didn't remove the stone, the people who loved him did. Jesus very rarely takes the wheel.

**NKJV Pr. 27:17**

**"Take off the grave clothes and let him go."** The grave clothes that Lazarus was in were not removed by Jesus.

Deliverance from grave clothes is dependent on you letting others help remove them.

**Pr. 27:6**

**Matt. 18:19**

God is glorified when people LISTEN and act on the words of His Son and take part in DOING mighty exploits!

**1 John 4:10-12**

**Hebrews 10:24**

**TIFAW - Jesus uses people to open tombs of hopelessness and remove stained grave clothes. I will let them help. I will love.**
