TIFAW: Make a Move

Salvation – let's get saved right now!

Attend church – if you're in service, we're so glad you are a part of our Bridge Community. If you're online, we'd love to see you next Sunday if you can make it.

We understand that there are situations where some are unable to attend in person, and for you, we are starting an online connect group, and you can ask Pastor Gary more about that right now.

Meet the Pastor – If you've never met a Pastor at the Bridge, don't leave without doing that! Our pastors are at the fireplace, and they want to meet you!

Starting Point – More info. on starting point classes at the Connect Center.
